

FUNDRAISING UPDATE – NOVEMBER 13, 2020

ONLY 9 MORE DAYS TO GO!

We are pleased to report that we have made further good progress, but as we are soon to enter the last week of the share offer subscription period, our message is very clear: **we need to keep going!** As of Thursday November 12th, we have received share subscription forms and donations to a value of **£74,615**.

Once again we ask all those who had previously made pledges of support to complete the subscription/donation form and return it as soon as possible to honour those pledges. We continue to receive contributions from people who had not originally made an Expression of Interest, and we will of course be delighted to see more of these. One more big effort from the community during the last week of the offer period should help us close in on our target of at least **£120,000** to **Save Our Shop!**

(Additional subscription/donation forms can be obtained from the shop, any member of the management committee, or downloaded from www.yetholmonline.org/yetholm-village-shop)
